		UDANTA. Secret A Agent	
1	6.	HVA armored units (C-Objekte) are at present	
		fully equipped with T-34 tanks for combat use. However, students in these	
		Objekte are trained in the operation of the T-34. Once their training has	
		been completed they could be issued tanks authorized by the T/E within "two hours". The same applies to artillery.	
		two nours. The same appries to artiflery.	
1	7.	roughly ten per cent of the noncoms, sixty per cent	
•	. t	of the staff (command and instruction officers) and forty per cent of the	
		P.K. officers of the HVA Objekte have had military training and combat experience. Most of the present noncoms have been selected from the training	
		body while most of the officers were noncome in the German Army during the	
		war.	
	8.	Mith regard to the combat readiness of HVA effectives,	٠ .
		HVA troops under fire will attack enemy positions only if their respect and	2
1A		obedience vis a vis their military superiors outweigh fear of the energy.	
17		The authority of the officers and noncoms in the HVA is as yet insufficient to outbalance this fear.
